All runs are subject to prevailing weather conditions and the availability of the Runs Leader and may be cancelled/amended by the designated runs leader. Ride leaders should use the Google group email to inform the club of any problems, supplemented by Spond and the WhatsApp group. If the runs leader is unavailable an effort should be made to find an alternative leader to take the ride from the designated start point on the runs list. All riders should therefore check the Google Group, Spond and WhatsApp for any alterations at about 7.30-8:00am on the morning of the ride.
