Merseyside CTC Runs List

Runs List Introduction.

Rides are arranged on Sundays and Wednesdays. C/ D rides for beginners and families are arranged on the occasional Saturday morning and Trail rides on the occasional Friday.

1 The official start of a ride will be the point at which the designated runs leader for the ride assumes responsibility.
2 It is the responsibility of the individual rider to arrive at either the start location or at any pick-up point arranged for that ride.
3 Riders who wish to travel to the start of a ride or to a particular pick-up point should make arrangements using the club's What's App and Spond groups.

A complete list of start locations and pickup points follows. Details of the pick-up point for a particular ride please refer to the final NB column on the runs list.

1 **Hamilton Square is accessible in a few minutes from James St Station on the Wirral line to Chester or Ellesmere Port. Meet outside the station.**

D **Flat: 10-20 miles average pace 10-12 mph, suitable for beginners and families.**

Merseyside CTC Runs List

All runs are subject to prevailing weather conditions and the availability of the Runs Leader and may be cancelled/amended by the designated runs leader. Ride leaders should use the Google group email to inform the club of any problems, supplemented by Spond and the WhatsApp group. If the runs leader is unavailable an effort should be made to find an alternative leader to take the ride from the designated start point on the runs list. All riders should therefore check the Google Group, Spond and WhatsApp for any alterations at about 7.30-8:00am on the morning of the ride.

If in doubt, contact the Ride leader by phone details below:

	Name	Telephone Number
1	HF	07887 623870
2	DG	07817 072644
3	PW	07779 718425
4	DT	07963 432568
5	MT	07970 743826
6	MG	07979 073351
7	DJ	07972 163370
8	MS	07714 246360
9	SS	07914 492319

N.B. All riders please note that they participate in the club activities *at their own risk* .
No responsibility can be accepted for any claim due to the negligence of the club or any its members.

All riders should ideally carry a pump, a spare inner tube or two and a puncture repair kit. Riders should also check the weather forecast and wear suitable clothing.
